CIRCULAR

It has come to my notice that plastic covers and other plastic wastes are deposited at varied locations on the campus, which is against the Green protocol practiced by the institution. Orders are hereby issued to ban the use of plastic carry bags, containers and bottles. Staff and students are directed to use steel lunch boxes and water bottles. Subject associations and clubs are directed to avoid the use of plastic cups and plates in public functions where food is served. Cloth banners should replace flex banners. I hereby declare the Campus of Alphonsa College Pala, a Plastic Free Campus.
